

# Hello from Chartwells K12!

As the new school year gets underway, we want to help you get to know us better and offer some insights into the meals and programs we'll be serving up this year. Every day, our goal is to make sure that students leave the cafeteria happier and healthier than when they came in – here are just a few of the ways we make it happen!

## Foods Kids Love to Eat

We're passionate about creating delicious, kid-approved food that nourishes bodies and minds and supports development at this critical time in students' lives. We've transformed your cafeterias into inviting spaces where students want to be, bringing a sense of happiness to each meal as they connect with friends and refuel for the day ahead.

Whether a student is looking for on-trend dishes with exciting flavor profiles, the perfect pregame snack or a mood-boosting breakfast to tackle the day, they'll find it in our cafeteria, expertly crafted by a team of culinarians committed to serving up happy and healthy to every student, every day.
